Podešavanje u Cobiss3:

STAR TSP 650

Štampač i driver – *Raw Queue*, nema nikakvog dodatnog podešavanja

The screenshot shows the CUPS administration page for the printer **Star_TSP654_ (Idle, Accepting Jobs, Not Shared)**. The navigation bar includes Home, Administration, Classes, and Online. The printer details are as follows:

- Maintenance: Administration
- Description: Star TSP654 (STR_T-001)
- Location: Local Raw Printer (grayscale)
- Driver: Local Raw Printer (grayscale)
- Connection: usb://Star/TSP654%20(STR_T-001)
- Defaults: job-sheets=none, none media=unknown

Under the **Jobs** section, there is a search box for "Star_TSP654_:" and two buttons: "Show Completed Jobs" and "Show All Jobs". The status "No jobs" is displayed at the bottom right.

This screenshot shows the CUPS administration interface with the URL `localhost:631/admin`. The navigation bar includes Home, Administration (which is the active tab), and Classes.
